Business to Business Services

Is it time for a new look in your office, board room or public areas? Have your prints faded to a lovely shade of blue? Are you ready to upgrade your company's first impression as well as give your employees a fresh new atmosphere? Then you need to call **Hardcastle Gallery** for our **Business to Business Services**.

Hardcastle Gallery is Wilmington's oldest and most respected fine art gallery and custom frame shop. Our shop staff is comprised of experienced individuals that have grown up in the picture framing industry and learned first-hand from the best. The gallery staff is college educated in the fine arts field with work experience to match.

Hardcastle Gallery has developed the **Business to Business Services** to offer the best prices, service and product to local corporations and offices to help meet their art and framing needs on budget.
